

# BIOMUGS™

Biodegradable!

**Help save the environment...** bring your own mug with you every day and save. Using a BioMug daily can save up to 23 pounds of paper cup waste each year.

These handsome desk mugs not only provide a stylish and comfortable drinking experience... they will biodegrade naturally in 1-5 years when properly disposed in a landfill.

- Biodegradable
- Made in USA
- Safe & FDA Compliant
- BPA and Lead Free
- Reusable/Recyclable
- Hot & Cold Beverages
- Microwave/Dishwasher Safe

**Item Colors:** Rose Pink, Slate Blue, Leaf Green.

Bio-Thumbolo • BTH22 13 oz.

Each BioMug includes a card explaining its biodegradable qualities as well as use and care information.

When it comes to excellent customer service and quality products, California Marketing Group cares. For more info on these as well as other promotional products please contact us.
